

Funding

South Bucks Down's Syndrome Group is run by volunteers – member parents and adults with Down's syndrome. The average cost of running all our current activities and events is approximately £5,000 per year. We always welcome financial contributions and although we do not have a membership fee an annual donation from each member/family/group would be gratefully received.

This could be given either through "Virgiving" via the SBDSG website or by printing this page and posting to the charity's registered address below:
